

# TASKI® Jontec Forward free

## F4h

### Alkaline floor cleaner, low foam

#### Description

Heavy duty, alkaline floor cleaner specifically developed for use in scrubber driers. Its low foaming formula removes heavy soil, dirt and grease from all water resistant, non protected hard floors (except unsealed wood). Also ideal for top stripping.

#### Key properties

- Alkaline, low foaming
- No fragrance and dye
- Multi-functional
- Effective as a 'light stripper'

#### Benefits

- Effective heavy duty cleaner on untreated floors
- Suitable for auto-scrubbers
- Minimal risk for sensitive persons
- Suitable for machine cleaning, manual cleaning, light stripping as well as for impregnating textiles in the washing machine
- Very effective for top stripping of one layer of polish when re-applying polish

#### Use Instructions

- Manual cleaning: Apply the solution with a mop. Allow to act (do not allow the solution to dry) and if required scrub. Remove the soiled solution.
- Machine cleaning: Apply the solution with a scrubber drier or single disc machine. Allow to act (do not allow the solution to dry) and scrub, then remove the soiled solution.
- Top stripping: Apply the solution manually or with a machine, leave to act for 5 minutes, scrub and remove soiled solution. Rinse with clear water.

#### Dosage\*

TASKI Jontec Forward free needs to be diluted and is either dosed manually or with a pump.

- Bucket application: Dose 12.5ml into a bucket filled with 5L water (0.25%).  
For heavy soil increase dosage to max. 50ml (1%).
- Scrubber drier / Single disc machine use: Dose 25 ml per 10L water (0.25%) into the machine tank.  
For heavy soil increase dose to max. 100ml (1%).
- Top Stripping: Dose 200ml per 10L water (2%) into the machine tank.

Proper dosage and temperature save costs and minimize environmental impacts.

*\*This dosage is according to optimal conditions, recommendations may vary, please consult with your Diversey representative for directions.*

## Technical data

Appearance:	Clear, colourless liquid
Odour:	No Odor/Odorless
pH value (neat):	~ 11
pH value (in use):	9,6
Relative density (g/cm <sup>3</sup> ; 20°C):	1.018

*The above data is typical of normal production and should not be taken as a specification.*

## Safe handling and storage information

Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet; [sds.diversey.com](https://sds.diversey.com). Store in original closed containers away from extremes of temperature. Only for professional users / specialists.

## Product compatibility

Test material compatibility in a small inconspicuous area before use. Immediately remove any solution splashes from alkali-sensitive surfaces (e.g. wooden baseboards, painted/varnished surfaces) with a wet cloth. Do not use on water-sensitive floors, e.g. unsealed wood.

## Environmental information

TASKI Jontec Forward free was awarded the license (DK/020/006) fulfilling the EU-Ecolabel criteria as an environmentally friendly product. The surfactants used in this product are biodegradable in compliance with the requirement of EU Detergent Regulation, EC 648/2004.

## Available pack sizes

TASKI Jontec Forward free is available in 2x5L. For manual dosing corresponding dispenser pumps are available.
